WARM PINK 6-INCH BLOOMS

Gail Borden

(Above) A large, glamorous Hybrid Tea with a warm combination of pastel pink and apricot shades. The high-centered bud, soft yellow outside and lovely glowing apricot on the inside, opens gradually to an immense flower of warm pink. The 5 1/2 to 6 inch flower is entirely different from any other Rose now in use... the snap and warmth of the color combination exudes an over-all feeling of friendliness and style. The tall plants are covered with luxuriant, dark shiny foliage that is unusually healthy and handsome. One of the best Hybrid Tea Roses ever to come out of Germany, it was named after the founder of the 100 year old milk company. The work of the world famous Hybridist, Wilhelm Kordes, Gail Borden is destined to become a great favorite of American Gardeners. (Pl. Pat. No. 1618) \$3.00 ea.; 3 for \$7.95; 12 for \$31.80
